

## Guidance for Course Specific Regulations (CSR)

### Identification of need for CSR

This can be by Course Development team, Course Leader, QAE and is usually in response to PSRB requirements.

### Submission of request to Regulations Committee

Submit a paper to Regulations Committee Secretary to be considered for approval by the Committee. The paper should outline the deviation from University Regulations that is being requested and include a supporting rationale as to why this is necessary.

Approved

Ratified at Quality Assurance Committee (QAC), QAE include CSR in Regulations for Taught Courses

Referred

Feedback given to course team for amendment or further review
